

REES PTA EAGLE FUND

Corporate Matching Gift Program

One of the easiest ways to help REES meet our direct donation goal is through corporate matching programs. There are many companies that match their employees' non-profit, charitable contributions which means that what you donate could increase by 50 to 200% depending on your company's matching gift program.

The purpose of the employee matching gifts program is to encourage employees to support their local communities by magnifying their gifts to nonprofit organization such as a PTA. Companies have different procedures to obtain the match but most of the time it is a simple as filling out a form via your companies website or getting a form from Human Resources. Please note that our Federal Tax ID for Non-profit status is 02-0691762.

The following companies reportedly offer "matching gift" programs. If you or someone in your family works for one of these companies, please ask about their matching gift programs. If your company is not listed, please check with them! They may have a program and we are just not aware of it. Please let us know so we can add them to our list.

Send any inquiries regarding your donations to Megan Carter via e-mail at megancarter10@yahoo.com or by phone at 346-8672.

Thank you for all that you do to support our school!
