Fifth Grade Party

Rose Mary Jordan & Brenda Miller

The Fifth Grade Party Committee extends a big thank you to Mr. Rutman, Mr. Runk, Mrs. Pennington, and Michelle McBride for their donation of time and talent to help prepare our cruise ship and keep it afloat! Sincere thanks to Sharon Smith and Patty Dickerson for their generous behind-the-scenes help and support.

Many thanks to Michael Kroll of Hampshire Creations. Mr. Kroll is an REES parent who did the jigsaw work for the mosaic tile project. Samples of his work can be found at www.createiturway.com.

Thanks also go out to Mr. Patel of Tropical Smoothie for his support of the 5th grade celebration and to Coleman Bros. Florist and Lowell Coleman for the donation of the beautiful greenery for the party.

Finally a big thank you to all the parents and REES friends who sent in food items, decorated the gym and cafeteria, chaperoned the party, and served on the clean-up committee.

The fifth graders had a marvelous cruise thanks to all of you!

The Rivers
Edge Family
